“ I had the joy of working with Celestine for 17 years. She was a lovely, gentle soul, and one of the kindest, most generous people I've ever met. I loved her stories and her sense of humor. Whenever she smiled at me it felt inside like I was getting a big hug. There is less light in the world without her and I'll miss her very much. Mary Lovik

It was a privilege and blessing to work with Celestine. She was such a selfless person who always chose to do the thing that was very best for those affected by intimate partner and sexual violence. Her advocacy and commitment brought much to those in need. Her love of her family And her faith were always present in everything she did. I will miss Celestine and the joy and comfort she brought to myself and so many.

“ I am so sorry to learn of Celeste's death. I worked with her on the Michigan DV Board. She was a model of kindness and giving and generosity. She modelled for me so powerfully how valuable it is to be kind and generous. I enjoyed her big smile and her apple pies! And I enjoyed how very much she loved her family and cared for them. I am sending particular condolences to Lex who had such a special place in Celeste's heart. May her spirit soar free and may we all continue to live out the generosity she shared with us.
