“ *A poem to the family  
The Pathway*

*It's only the beginning now for a pathway yet unknown at times we walk with others at times we walk alone our path may end in gladness or it may end in sorrow but even on the darkest days the sun will shine tomorrow but we have to keep the faith because all 4 of them are in God's hands a beautiful heaven a beautiful land for God must have a beautiful garden because he only picks the best flowers...*

*May God continue to give your family what only he can give comfort and peace beyond understanding*
