“ Chaitta ‘Tooti’ Taylor was one of the warmest people I have ever met. I had the privilege of working with her while she helped our nursing care transition to a person-centered care model. For her, this wasn’t a change: it was simply who she already was.

She always made time to share her thoughts, offer encouragement, and give one of those uplifting hugs. She was truly gifted in the way she cared for others.

Tooti, your loving heart and the light you brought into every room will always be remembered.”

My Condolences to your family. "Earth has no sorrow that heaven cannot heal."
