“ While there is no way we can feel your pain, we do feel your loss. Mrs. Davis was such a beautiful light in your family. We will always remember her and all the wonderful memories we shared living on Virginia Park and growing up together. There are no words to express the deepest sympathy we feel today. Although we cannot be there today, we stand with you, we are praying for you and we send you our love. I hope you feel surrounded by much love. Our family is keeping your family in our thoughts and prayers during this very difficult time. God Bless you all! RIH Mrs. Channie Mae Davis! Forever in our heart, the Fowler family.

“ Channie didnt feel like a cousin to me. She was more like a grandma. I loved when my mom use to take us to Channie house on the weekends when I was young to play cards. When I grew up I could still go to Channie house for a card game. That is the only place where I had so many relatives and really felt the love. Visiting Michigan will never be the same for me. I will miss Channie dearly.

“ My mom was everything! She cared for so many people. When I was growing up we had a family every other few months to move in to live with us ,and we would have to give up our room and pile up in one room . That was the type of person she was. I will forever be effected by her death,even though I know she’s not suffering anymore it still so surreal feeling 💔 Your Baby girl R.I.P Mama Dearest ❤️❤️❤️❤️

“ *Channie: Always, the loving person. Otis Stanley, remembers her pleasant smile, in the early 60s, as we--cousins of sort--played with Ivory and Tommy, on Virginia Park (up and down the street from Johnnie Mae's & Golden's house to Channie's and Moot's!*

She seemed contemplative and would allow input, as we shared thoughts on several matters! I cherish the person, who presented herself, always hopeful, regardless of circumstance: My families condolences to the family! God Bless!
