“ I send my sincere condolences and prayers to Charlene's family and friends during this time. I worked with Charlene for several years at Detroit Public Schools. Charlene was such an energetic, caring and hard worker. She would always greet you with a warm smile, and had a wonderful sense of humor.

May you be comforted in knowing that she gave her all in everything that she did, and brought a smile to the face of so many of her coworkers.

You will be dearly missed, Char.

“ My deepest sympathy and prayers are extended to the entire family. I met Charlene while working as a DPS employee at the Schools Center Building. Charlene was such a joy to be around, she was very friendly and always full of laughter. Whenever we would run in to one another, we would always greet each other with a warm hug and a big hello. She will be truly missed. Her lovely personality will never be forgotten.

Praying mightily for the family.
