In Loving Memory Of Charlene Evelyn Ingram

Charlene Evelyn Hughes was born on June 10, 1936 in Detroit, Michigan to Roosevelt and Marie Hughes. She was the fifth oldest of seven children.

Charlene and her siblings began serving Jehovah at an early age in the company of their mother, Marie Hughes who faithfully served Jehovah during her life course while on this earth.

In 1954, Charlene married Lawrence Ingram. To this union, eleven children were born.

Charlene loved music as well as her family. She enjoyed the company of friends when they would come by and share more Bible truths with her. She was good at helping people whenever she could. She believed in Jehovah's promise that this earth will soon be brought back to its paradise condition. She believed in the ransom sacrifice of Christ Jesus. She always made an effort to attend the memorial each year.

Charlene Evelyn Ingram departed this life on November 12, 2016, at the age of 80 years.
