“ *Hello to the family! my name is Cassandra Lynn, I'm a close friend to the family. My mother and Charles dated for a long time. I met Charles when I was 15 years old. The following year my family were planning my "Sweet 16" party and Charles was right there offering his assistance. I will never forget that "special" day nor Charles. There were many great memories made with Charles, my mother and my family. I have four brothers and two sisters. Charles fit right in with everybody!!!*

*I am so thankful that myself and my brother had the opportunity to attend his 86th birthday celebration. He was in great spirits and was looking nice as he always did.*

*I'm going to miss him! Although my mother preceded Charles in death, that didn't change the fact that Charles' had a special place in our hearts. I know one day we will meet again and until then may he rest peacefully and enjoy meeting back with family and friends.*

*I would like to say to the family, "thank you" for keeping my family updated with Charles whereabouts after my mother passed. Prior to my mother's transition, she was the connection to Charles. I am praying for you guys for continued strength and always cherish his memories.*

*Always, Cassandra Lynn and family*
