“ Vanitta.....sweetheart, what do I say??? Im deeply saddened to have learned that the love of your life has made his transition into heaven. Charles was always so sweet, kind and a total honor to be around. He became "my buddy", we shared so many conversations on my bus, you guys were definitely my favorite passengers, and were my favorite couple. Charles fought a good fight, and now his suffering is over. Please find comfort in knowing he absolutely loved you. He told me on countless occasions that he didn't know where he'd be without you. And you my love, you took such good care of him, no matter how tired you were, your eyes always lit up whenever u spoke of him. I love you... I feel like I lost a father. If u need me, please dont hesitate, you and your family are on my mind and in my heart and prayers. My deepest condolences to you and the family...with a my love, Stephanie
