“ *Chuck, You know how much you and I shared a friendship like no other two people. From the fifth grade up until now we hung out like real friends. Swimming every day during the summer months when we were younger, riding our bicycles to Rouge Park every day, me and you and the 'Gang', and in the later years celebrating our Birthdays together (Dec 25 to Jan 12). You rest easy my friend, the hurt is all over. Hold the door open for me cause I've got my ticket also, just waiting for it to be punched. Blessings to my Family, may you all be strong and know the hurt is over...we'll see him again.

“ Just a note to the(my) Family. Barbara and I want You to know that our Love and Blessings go out to you all, and hope that God's blessings aide You in this moment of grief and sorrow. You know that Chuck and I were life-long friends...from riding our bicycles to River Rouge Park in the summer time to go swimming at the Brennen pools, to just plain hangin out as we grew older. To know someone from the fifth grade up until now is a friendship made in Heaven. Chuck was a soft spoken man who never had a 'beef' with anybody...always had a smile on his face, and was always ready to lend a helping hand, if he could. We always started our Birthday celebrations on or near His Birthday (Dec 25), and finished on or near my birthday (Jan 12). There was noone else like Chuck, and there will not be another body like my Man Chuck. Partner, I will miss You until I make the trip also. I look forward to seeing You when I get there, cause I know you will be there holding the door open for me when I arrive. Say hello to those who made the trip before me and you. Let the boys know I've got my ticket to ride, just waiting for the time when my ticket is punched. I love U man and I can honestly say there was no other person in my life I could call friend like I call you 'Friend'. Chuck...You The Man. R.I.P. buddy...
