“ *Charmelle and I were going to visit Belinda Brown in Georgia. We were leaving at 3 a.m. Charmelle called me @ about 2:15 and stated she was on her way to my house. At 3 a.m. she still was not there so I called her cell and Charmelle where are you and she said I am sitting in your driveway and I said I am looking out the window and don't see you. I asked what street are you on and she say Vaughn, I screamed girl get out of that driveway, that is not the street I live on and we both had a good laugh once she got to my house. Also we had a good time in Georgia.*
