“ *Cheryl was a dear friend of mine. We shared good times together down through the years. She was always my partner in playing bid wit, and we would win. People thought we were cheating because her and I played so good together.*

I will truly miss my friend.

My family and I send our deepest condolences to the Gary family.

“ *Cheryl was one of the sweetest, funniest friends you could ever have. She loved her family, her Bcbsm family and her high school alumni. She will be truly missed but welcomed in the arms of her son. We love you sister. Rest In Heavenly Peace.*
