“ I am very sad to hear of Cheryl's passing. She was one of those people who would share her life's knowledge with you, if she cared for you. I remember when I first met her, I pronounced her name incorrectly, she quickly corrected me... and believe me I never mispronounced her name ever again. She was the type of person who knew from her first encounter with someone, if they would be a friend. She loved to laugh... She always laughed out loud about people at work who thought she was not aware of their trickery and deceit towards her. I, for one, will truly Miss Ms. Porter. She was a Phenomenal Woman. Good bye my friend.

“ *Sending many thoughts and prayers during this time. Cheryl was a dedicated and committed employee at Oakland Community College during the time in which I was her supervisor in the late 90's. She always ran an effective and efficient records office. She treated students and employees with much respect. Cheryl will be truly missed. May God continue to bless this family.
