“ Aunt Cherie is coming to visit! She will do your hair!

Those words excited me for weeks in the summer of 1978. And you did my hair in a way Mom never could--making it Farrah Fawcett silky and bouncy, but I would never look as radiant as you. I'm sure I am blonde now because of you and your amazing disco-era look. I was just telling my friend about the peach terry cloth halter jumpsuit with fluid pants you wore that I can never forget and wish I could have.

It troubled me that a woman as beautiful as you had ALS. I see your pictures and you look 20 years younger than you were throughout your life.

You are now a real angel and can fly. Dry your eyes on the wind. I'll miss you keenly, Aunt Cherie.

“ We were saddened to hear of your family loss.

No doubt you have made fond memories that would resurface from time to time. May those memories and God's words in the Bible bring you some measure of peace. With caring thoughts.
