“ *Mother Gardner I know of all the loss you've experienced in life there is no deeper pain than losing Chet so unexpectedly. I honestly don't have words strong enough to express the sorrow I feel for you, Chase and your entire family.*

Chet was soo special to so many; I thank you for sharing him with sooo many and raising him to be the wonderful kind man that he was.

I believe love ones don't go away but walk beside us everyday unseen and unheard but always near.

Sending love and heartfelt prayers that you find the strength you need to get through each day.

Love,

Tamika aka Speed

“ *May the Lord continue to keep his love arms of comfort around you. To his mom, he spoke of your mad affections for each other often and to his son, he was very very proud of you and loved you like no other. Chet will be missed for his wit and charasmatic smile. May God bless you all with the strength you need.*
