“ To Kyle and the entire Woods family, I would like to express my deepest love and sympathy to you all. From the moment I recieved the news of Christine's illness and passing my heart sunk with saddness and utter disbelief. I met her through our mutual friend Dee Dee when we were in are early teens and we all grow up together. She was such a sweet, wonderful and fun person to be around. She will be greatly missed but will live on in my heart.

With warmest regards,

Wendell McCree
