“ Chris was my big brother but it was always me and him. I remember I moved to GA and I was on the phone with my mom and she was complaining about him lol I told her send me my brother you tripping He came to GA and we started out in a 1 bedroom apartment and before you knew it we was moving to a 2 bd condo in a way better neighborhood. I remember my mama calling and saying he needs to come back to Detroit and I was so offended she says Tijuana he is not your son he is my son. He is my big brother and I'm going to miss him. I love you
