“ As a volunteer at Childrens hospital I’m unfortunately not informed well when a patient has passed away...today I was looking at some old pictures and came across the picture of Chyna’s graduation picture at the hospital and thought maybe I’d see something when I googled her name...only to be sadly surprised to read of her passing this past May....i always enjoyed spending time with Chyna ...Chyna had the most beautiful smile in the world ..and only matched by her positive attitude ...and I will remember her forever as she will always hold a special part of my heart.
