“ My first memories are when she came to MS to visit her aunt, my grandmother. We used to sit outside on the front porch and swing and talk for hours. As I got older and she visited. I was her chauffeur. My uncle James Lee would cook and invite all the family over because she was home. We ate good and fellowship before she met up with classmates. As time passed we began talking on the phone everyday. She would call me in MS and tell me what was going on here before I knew it. When weather was bad here she would call and talk to me until it calmed down. She would say "hows the weather now?" I would tell her it has calmed down then she would say she could sleep now and end the call with her love you cousin. She never ended a call without saying i love you. She was more than a cousin. She was a best friend.

“ Hellen & I have known each other for over 60 years. We shared in our trials and tribulations. We never let too much time go by without talking to each other. We always ended our conversations with ‘I love you’. I am so saddened by her sudden passing. She was an important part of my life throughout the years. She was a kind, amazing & loving person who I will miss tremendously. Love you Hellen. May you rest in peace my dear sweet friend. 🙏❤️

“ As a child, my sisters, brothers, and I would be scrambling around our house on Trumbull Avenue in Highland Park and memories of my mom (Carolyn Lewis) and her best friend Helen seated at the kitchen table chopping it up about their families. Helen would pinch my cheek or run my head and her kindness was part of our days of fun.

*My deepest condolences to the family and all those who loved her.
Rest in peace Aunt Helen.*
