“ *Family,*

It is hard to believe that this day is here, but it is that day that the Lord sent. We shall rejoice in it because she was strong and she taught ALL of you to be the same. It is the way Baby and Aunt (Aint) Lillian taught us. She loved family and friends. She has an abundance of both. I will always remember our conversations that keep us in a state of reality. All I can say is that down through the years, you know the rest.

Your "Cuz"

Dianne 🙏
