“ *My condolences to the family. No one is ever totally prepared for the death of a loved one. When death strikes the pain and grief can be intense. May you find comfort in Jesus words "I am the resurrection and the life, he who exercises faith in me even though he dies will come to life.-John 11:25*

“ My condolences to the Pace Family for the loss of your Patriarch. I can't stop the pain, but I hope these words will at least offer comfort.

John-

Brother I am very sorry for the loss of your father. To be absent from body is to be present with the lord. I know that you will be as strong as you can for your family. I send condolences during this very difficult and trying period in your life. Though I didn't know your father personally, judging by the son that he raised, he was a good and solid man.

Donyale-

My very good friend I am sorry for the loss of your father. He fought the good fight. Have no regrets even though your heart was heavy, you was there day in and out during the tough times to bring him as far as God choose for him to go. Take a moment after wiping your tears to reach behind your shoulder and pat your back. That's your father saying thanks baby for a job well done.

Your Friend and Co-Worker
