“ *Classie was one of those people who enter into your life for just a season, but make an impact that lasts a lifetime. She was such a beautiful soul. I thought about Classie so often...thinking "I should check in on her and see how she's doing..." and shamefully I never did. That's something that I will regret for a long time. Prayerfully, we will be reunited again on the other side of eternity. Deep prayers for all those who loved her, especially her children. Psalm 34:18*
