“ My dear sister, Claudia! I'm truly going to miss you. I have so many fond memories of my sister. She was a Woman of God, kind, loveable, generous, and loved her family. I will miss our telephone conversations and all the good times we shared. We had a unique bond. My heart will always be connected to my sister, even though she is no longer here with me. My sister and I will reunite one day in heaven, and we will dance together on the clouds in joy of our reunion.

To the family: Know that you are not alone in your grief. I am here for you. Sending you love and strength during this challenging time.

Rest on sister! You lived a good life here on earth and have left your footprint in the sand here on earth. Heaven has received a new member.

Deepest Sympathy,
