“ *Clay, I cannot believe that you are no longer with us. I know I am late with this memory, as you left us almost a year ago. Clay, we met in 1984, so long ago. You became my first real boyfriend. You made me laugh every day, and I loved you. We were so young. I thought of you often throughout these years, hence discovering your obituary. Thank you, Clay, for the beautiful memories.*

You are loved.
