“ *I remember competing against Clayton in the 100 yard dash at Field Day, General Amherst High. Fast did not give his speed due diligence. He could cross the finish line while the rest of started. What an incredible athlete. I am positive that Clayton ran his whole life like that. Winning! Not only for himself but for his family, friends and strangers alike. My condolences to his family and all who were privileged and blessed to have Clayton in their lives. RIP Clayton. Rick Snyder*

I will always cherish my memories of pastor Clayton & first lady Betty Harris. The love for God, family, friends & strangers, that they always graced their congregation with, leaves us with a beautiful reminder of, how blessed we are to have received it from them. They led by the example that they lived...

Our prayers and thoughts are with the family of Pastor Clayton. Our family lived around the corner from the Harris clan, and there were many memorable moments during our fun filled childhood. Playing softball, hide and seek and tag helped us make it through the long summer afternoons and evenings. May the love, grace and peace of God be with the grieving family and friends.
