“ No one knows and understand the depth of the pain I had and have to deal with knowing you aren't here. You aren't here to witness the growth of your children and to meet your new nephew and future niece or nephew. My arms and heart yearns to hold you close. My ears desires to hear your voice. My eyes wants to behold those bright beautiful brown eyes and that contagious smile. I love and miss you so much my gentle giant teddy bear 🧸 I am so proud and blessed to be your Mom 🙏❤️🙏

“ Today is the day u are laid to rest and although our hearts hurt tremendously you will be celebrated for the life you lived and the GREAT Man U are. My prayers & condolences to your family. Lord, I come to You with thanks in my heart & praises from my mouth. I ask that Ypu be with the family today, make Your presence known in the House and felt in their hearts. Lord I pray that You will heal their hearts & bring peace to their mind. I pray that You will give them understanding & restore their hearts back to You, Our Father. Lord I ask that You will keep each and every one of them as the days go forward. In Jesus Name, Amen.

“ I met Cleo a year ago, shortly after i moved from Detroit to Las Vegas. I worked with him temporally at Andrew's security company last January of 2013..and i was pleased to work with him permanently at north Vista hospital as a security officer. The news of his passing just really shocked me..and brought me to tears. Cleo was a good man. I miss him dearly. He maybe gone....but will never ever be forgotten.
May the Lord be with his family. Cleo lived for his children..and loved them very much.
I wish i could find the right words to say..
May he rest in paradise.

“ I met Cle and my husband at the same time he was such a funny guy and a great friend to my husband. Cle and Brandon were like brothers. Those 2 were like 2 peas in a pod. I know he is in Heaven looking down and taking care of all his loved ones. His Children will always have the memories of what a great father he was. May his soul rest in peace and always know ur family will be in my prayers and the kids will always have a secound family with us....
