“ *I love you and will miss you so much, Uncle Clifford. It still feels unreal that you're not physically here anymore...tell grandma I said hi. Rest in Peace.*

“ *Just a brief reflection. I would often see Cliff at Church and would compliment him on how sharp of a dresser he always was. One day during the week Cliff had on a really nice sweater. I said "Gimmie that sweater" Cliff responded "I'll come around a lot". Both of us got a good laugh out of that one! May GOD continue to BLESS the family.*

“ Uncle Cliff use to come all the way from the east side of Detroit to the west side of Detroit to pick up me and my cousins to spend the night over our grandparents house (because our parents wouldn't take us) in any kind of weather. He was Johnny on the spot as soon as we called. I haven't met any one that could keep me laughing as much as he did. Cliff showed me that cats really do have 9 lives. I love you Uncle Clifford Steve (my heart is truly broken). Kisses to the Sky.....
