“ *I'll lovr my grandma always , never will I forget the love and care she gave me. My protector as I call her. Never did I have to be scared of anything with her. Never did I feel alone, she helped raise me and for tat I'm thankful. This is so unbearable, that thinking straight seems to be impossible, but at the end of the day she's at peace and that's all that matters. To my mother, grand and big cousin Tasha we still have one another as she would've wanted it. We'll make together as a family, I love you all with everything in me. Rest in Heaven our Angel.*
