“ *My dearest auntie you loved me from the very very first day I came to the United States . You called me Pooh bear because you said my name was long. I have a lot of memories but my fondest ones are when I spent my time with you at your house you and I will go bowling come home and you will turn the TV on and I will say Oh no not western movies again and we will both laugh
Heaven has gained an angel .
You will be deeply missed
Love you always your niece Eka*
