

## Mrs. Connie Bright

September 18, 1961 - July 18, 2014

### Her Story:

Connie Lenear was born on September 18, 1961 to Lorene Lenear and Walter Lockart. On February 3, 1966, her mother Lorene Lenear married the man who raised her and loved her as his own, Leonard Jones, who to Connie was her father.

At a young age she met the love of her life and together they united in marriage and had two beautiful children. Their firstborn, Lakinya Bright and their son Jessie Bright.

Lakinya Bright blessed her parents with her only grandson, Marcus Peppers who loved her very much.

She leaves to mourn a host of aunts, uncles and cousins who loved Connie unconditionally throughout her life.

Connie loved to smile, laugh, listen to music and watch TV with her mother/best friend. Connie lived a happy life. She will be truly missed and she will live on forever in our hearts.

“ *Sending my condolence to Aunt Lorene and my cousin's children. Though she passed away we know her body is free from sickness and pain. God has gained another Angel. You have many memories of her to keep near when you start to miss her. Keep your heads lifted to the sky and feel her presence and know that she's above watching over you. It hurts losing a loved one but I'm praying for your strength, for peace and comforting during these days it may seem you can't stop the tears and missing her. God will comfort you and there will be better days. Look to the hills and let God get you through these times. Love u all Tosha(Lonnie dtr)*
