“ *We didn't see Connie much when were growing up but the few times we went to her house, she and her daughters were always happy. She kept a smile on those girls faces and I could see how much they all really loved one another. That is something I will never forget because that is what family is all about:) You are and will forever be missed and loved! To Earlene, Kevinetta, Catalina, Concraigretta, Bennie, Shamelle, their children and grandchildren, We love you all and we pray God's Strength and Comfort will be upon you all!*
