“ *To Stacy and Family*
My memory of Mrs. Lisscomb is of the kindness she always had towards me. Through I was not physically around her, whenever I was, she always showed interest in my life, as to how I was, and what I had been up to. A kindness I will always remember her for. Words can not express the feeling of loss I am sure you and yours are going through. I wish and pray all of you will be strong during this time and know you are in our thoughts.

“ *Ma, Oh what a wonderful friend and second mother to me. The long talks and dreams we shared. The laughter, the many lunches we shared will never be forgotten. The sharp and bright mind and never a compliant or sadness. You will be missed more than I can say. To Stacy & family I thank you for sharing her with me. She left a legacy none can fill. My love always E Moore*
