“ The Dean Family....words cannot express how much myself and my family will miss Grandma Dean. She was the light and joy to your family as well as ours. Through the years she allowed us to call her Grandma Dean because she became to be like a grandmother to us. She was fun, giving and caring to all, she tried not to leave no one out. She will be greatly missed and as our family grow she will always be in our hearts. Love always, Angelique Hampton

“Denise and Darryl words can't describe the love we had for your mother. You were her biological children, but she had many more extended family members. She was one of a kind junior senior. She was caring and giving. She had her medical issues, but she was always ready to do for us. Know she was loved and will truly be missed. Love Deacon Deric and Mary Twiggs💕🙏
