“ Sending my deepest condolences to the family of Ms. Crystal Lee. When I first started working at Drew Transition Center Ms. Lee greeted me with kindness and took me on a tour of the building. She told me about her journey starting as a parapro and continuing her educational career becoming a Teacher holding several degrees, and being on the Board of the Union. There was no limit with her. That really inspired me. She had a gift of helping people. She helped me with union questions and at work when I needed supplies for the classroom. I really loved talking with Ms. Lee. She dressed really sharp, and we use to laugh and talk about our favorite clothing stores from years ago that we shared an interest with. Ms. Lee will truly be missed. Rest in Heavenly Peace. Ms. Lane ❤️
