“ I keep feeling that this is still a dream, I miss you so much. I am trying to go on as you would have wanted, but it has been a very hard for me. You were my best friend for 37 plus years, my husband, my provider, my rock, I know that you are resting well in paradise, enjoying your reunion with your Mom & Dad, Cindy and Craig. Love you always Bookee - until we meet again.

*It's been 9 months and I want to say that I miss my hubby tremendously. Words can't really express how empty I feel. I miss him so but I know he is in a better place. In heaven there is no Parkinson's, not High Blood Pressure just paradise where everything is so beautiful. Until we meet again my love. Continue looking over the family. "In our hearts you will stay. Forever loved and missed everyday" ❤️ To CKD from MYD 7/7/2021.*

“ *It seems like I am still in a dream. I miss you so much Curtis K. You were my best friend for 37 plus years. I know that you are in a better place in paradise - but I am selfish because I want you still here with me. I will try to go on - as you would have wanted, but I am still mourning for the loss of you in my life. I know that you have had a great reunion with your Mom & Dad and Cindy and Craig. Keep watching over us - Love you and Miss you! Until we meet again. #CurtisForever*
