

## Mrs. Curtishia Rochelle Long-Thompson

December 11, 1989 - July 28, 2019

In Loving Memory Of;

Curtishia Rochelle Long was born on December 11, 1989 in Detroit, Michigan to Curtis Long and Rosana McCants-Long. She was the fourth of six children. Curtishia gave her life to Christ at an early age.

Curtishia was educated in the Montgomery Public Schools system and Job Corps in Detroit, MI where she received her certification in carpentry. She later received her Pharmacy Technician Certification from Wallace Community College in Selma, Alabama.

Curtishia previously worked as a Patient Care Technician for two years until she relocated to Detroit. She had just began her career at Amazon where she was a Machine Operator.

In July of 2009, Curtishia received the greatest gift God could have given, her son, William J. Hunter. She loved her son! Curtishia and Carshell Thompson were married in April of 2017.

Curtishia was a roadrunner, a true ride or die chick! If your car was moving, she was moving with it! Curtishia never met a stranger and her smile was infectious! She was vibrant and contagiously energetic; if you didn't feel better after talking with her something was seriously wrong with you! She was going to over-talk you, not to be rude, but because she didn't want to hear about sadness, she only wanted to make you smile and laugh. Curtishia was a fighter in every aspect of the word and although she lost this battle, she never lost her love for her family!
