“ *I'm still in shock over this sad news. CJ was more than just a coworker, she was a close friend. I'll miss hearing her stories about the random road trips her and Darryl would take, stories about her daughters & grandkids. She will be greatly missed. To Darryl & family, I am so very sorry for your loss. I will keep you all in my prayers.*

To Darryl and the entire family, I am praying for your strength. Cyndy was my first best friend since 1967 in kindergarten. She was the brave one and I am indebted to her for making me try new things and not be so sheltered. This is the beginning of a new journey. You are seriously in my thoughts and prayers.
