“ *Sam and Marie Robinson from Littleton, NC, send our heartfelt condolence to the Banks-Pearce families during their time of bereavement due to the death of "Cymp". We have fond memories of days we lived close to each other as neighbors and friends. We will keep you in our prayers as you prepare for this earthly separation.*

“ To the Banks-Pearce family. I too share in your loss. Cynthia and I have been friends for over 40 years. She was a very loving person and never closed a conversation without saying I love you. I will certainly miss our long night conversations over the years. She was always the "mother hen" to our little girls group in school. Cynthia was a strong person and a fighter until the end. I believe she knew I knew her prognosis but as the caring person she was she was always thinking of others and protecting them. She will have no more suffering and enjoy better sweets than Trish's chocolate cake or my coconut cake. She's in the sweetest place ever in the arms of Christ resting without pain or worries. I am sorry I cannot be with you all but know I love you and will be with you in thoughts and prayers. May God comfort you by letting you know how much she loved you all. “ *Sending love and comfort to our family in Michigan, Illinois and NC. Our hearts are saddened by another loss of a loved one. It seems we have been down this road far to many times recently however God is still holding us strong. May we all continue to rest in his arms and surrender it all to HIM who knows our pain. Lets lift each other up and do all that we can to stay connected to one another. Sorry we are not able to be with you physically but our thoughts and prayers are forever being lifted to give you strength. Call on us if you need to.*

*Your cousins, Pam Daniel Vaughan and Joseph Tilghman Daniel
