“ *My prayer are with Cynthia family. I will truly miss her and all the good time we had, all the long talks and the last time we saw each other during the Christmas holiday. Cynthia I know that you are going to a better place where there will be no more suffering. I will always remember our going out to eat, going to Vega and all the other things we did. The one thing that I will always remember is you learned to hug, you once told me that my family like to hug. You became part of my family and started hugging too.*

*Love*
