“ *To the Benford Family, WOW! words cannot express the way I felt when I first heard of the passing of my dear sister Cynthina. I say sister, because that's the way I felt about she and Michelle, as if they were my own sisters. Cynthina and Michelle has always been supportive of Jan and I since the first day I met them some 27 yrs ago. Cynthina was truly an angel I will miss her. I will never forget the conversations we shared. To be honest sometimes i really didn't have anything to talk about, but I would come up with something, just to listen to her beautiful voice. I was fascinated by the sound of her voice. She was a beautiful person inside and out. Michelle and the entire family, I'm praying for you daily. I love you all!*

“ Friend forever a friend is like a flower, a rose to be exact, or maybe like a brand new gate that never comes unlatched. A friend is like an owl, both beautiful and wise. Or perhaps a friend is like a ghost, whose spirit never dies. A friend is like a heart that goes strong until the end. Where would we be in this world if we didn't have a friend. Love you always Cynthia. Love Anthony & Alicia Davis & family
