“ All of our family from Pelham are sending our love and hugs to all of you! We will always remember and cherish our precious memories of Daisy and the times we all spent together. She was indeed my Sister-Cousin. Our hearts are indeed saddened, and we are grieving, but we know that God will give us the strength that we need. The Word of God gives us comfort. Keep the faith and continue to trust God! Rest well Daisy until we meet again. Love always, Tricia, Uncle Andrew & the Wilkins' Family.

“ I can still hear her distinctive voice like a melody. Daisy was warm and kind. Loved working with her. Special very special. Daisy was part of a group of what was referred to as the "Directors" (a special privilege of employment given to us by The Allen's). Out of that group she was part of a unique 4 that were the start of this group and they were given a nickname by Elaine "Pinky" Hawk that represented them fondly. Pinky called them "The Golden Girls". Daisy you represented life with dignity, beauty and grace. Rest well my friend. Love you Pam Jones

“ Although my work schedule prevents attending services, please know that I am with you in spirit and prayer. I will always fondly remember Mrs. Daisy Bryant-Aaron and our chats. I very much appreciated the support and encouragement that she and Mr. Aaron gave me as a young professional including attendance at my special events. Both of them were cherished friends of my late Mother, Allean H. House. May God bless and keep all of the family and friends. -- Darlene House

Daisy, my sister in Christ, thank you for all that you shared with me, your wonderful sweet spirit and loving kindness. I am comforted because I know you are no longer in pain and that earth's loss is truly Heaven's gain. Rest in Peace.
