“ *Olivia Jackson lit a candle in memory of Mr. DaLonte Curtis Lowe*

Olivia Jackson - October 15, 2019 at 05:59 PM

“ *We love you Nephew....and although this is so unreal I am so blessed for all the memories we got to share with each other and as a family. You will be forever in our hearts and we will miss you being the fun loving young man that could light up any and every room. I hate this, but I know you are now living your best life with all our guardian angels....and I know we will see each other again. Your family forever,*

“ We are deeply saddened by your family loss. In times of distress we need comfort that soothes our hearts. May the peace of God guard your hearts. With caring thoughts.

Evans family - October 08, 2019 at 05:48 AM

“ When I first met him we were at Northland Mall I was selling candy and he was doing his thing , he was always respected me and calling me auntie which I like cause we were family no what I always told him to be careful out there and he told me auntie I will so rest in peace continue to watch over ur mom, and all ur family especially Ms Kayla and ur baby I love u and I'm going to miss u
