“ *To Angie and family, I know Damany will be surely missed there was never a time when I saw him that he wasn't smiling. He was a fantastic son and brother. It was always evident that he loved his mother and sister. Please know Angie you are in my prayers. Love your cousin.*

“ *Damany I am still so sad. Your passing has affected many because you were so well loved. One of the sweetest spirits around. From high school to adulthood, you have always been a cool guy. Your crazy daily FB post...they will be missed. Lol. Although the world may have wanted to be selfish and keep you here, we have to accept the will of God. You fought a long and hard fight with great strength and courage. But God wanted you to rest and I'm glad you finally can. My sincerest condolences to your family and MANY friends. Rest in Paradise. My broski! I am not looking forward to my final goodbye. Condolences, prayers and love to the Finley family...May it bring solace to know Damany was loved and shared many times in fellowship with my entire family. We were bad together, racing our chargers down 7 Mile....we knew we were wrong but we had a blast....and I won. I am gonna miss your sense of humor and our group sessions at the "Boom Boom Room." Brother, until we meet again know that I thank God for the time we shared. Guess what, "You have ETERNAL LIFE!" I love you, Rest my friend, Rest 💜
