“ *I have many memories of Damon. One that always stuck to me was Sweetest Day of 2007. I had a date planned with my bf at the time, that turned into me randomly being dumped instead. Dee so happened to call to check on me, as he often did. I told him what happened, & he told me to forget about that guy, & that he would be my sweetie. He invited me over, & we literally sat on the porch until almost 4 a.m. talking. He consoled me, & was just really being a great friend. He always made himself available to me and was honest. I will forever be grateful for Damon and all the time I was blessed to share with him. I love you Dee, Lauren*
