December 6, 1961 - March 1, 2017

Celebrating The Life Of Dana Janice Lusk:

Dana Janice Lusk was born on December 6, 1961 in Mobile, Alabama to Norwood and Saraetta Henderson. She was born eighteen minutes before her twin sister Donna Williams.

In her early childhood years, the Henderson family relocated to Detroit, Michigan where Dana attended Detroit Public Schools and graduated from Cooley High School in 1980. In 1981, Dana met the love of her life, Dwayne, and they later wed in holy matrimony in 1982. The following year, she attended Marygrove College and earned an Associate's Degree in Fine Arts .

In 1990, after eight years of wedded bliss, she gave birth to a darling daughter, Kristin followed by a charming son Kristopher in 1992. While raising her children, she worked as a hospitality event manager at Marriott Hotels International, Inc., for over 15 years. In 2015, Dana furthered her education by earning her certification in medical billing and coding from Everest Institute.

Dana was the matriarch of her family, a phenomenal wife and a proud mother. She had a niche for creativity, sewing, jewelry making and drawing. Dana was fashion forward and had an eye for transforming the ordinary into extraordinary and to many there was no limit on her talent. Not only was Dana

known for her creativity she had a true heart of gold especially toward her family. She made sure that she always showered her family and friends with hugs and kisses whenever she saw them. Dana loved her family tremendously and always welcomed them with open arms, however, she had a no nonsense tolerance. She instilled her core values of love, patience, self-determination and respect for others into all that surrounded her.

Dana touched many people throughout her life, making friends and cherishing them as family.
