“ *Dani D., You are truly missed. I am very thankful to have had the opportunity to work along side of you for a few years, sharing our life stories, eating good food every day and talking trash to one another." My big sis", you truly showed me what team work is and you were the ultimate nurse to work beside. I have so many fun memories of our interaction that will continue to have me laughing until my time expire. I have learned a lot from you and I thank you for the impact you have had on my life.*

“ *Rest In Peace my friend. We had so many conversations about everything. I miss you more than I ever could have imagined. Thank you for encouraging and inspiring me to always reach for the top. I'll never forget you telling me that you would have the VICTORY no matter what the outcome of your diagnosis. Even though God has called you home your light will continue to shine on all of the lives you touched here on earth. As we ended so many conversations, In Jesus Name, Amen.*
