

## Mr. Daren Lamonte Bowden

November 20, 1994 - January 29, 2014

### Daren's Journey:

Daren Lamonte Bowden was born November 20, 1994 in Southfield, Michigan. He was raised in Detroit, Michigan to the union of Daren L. Bowden and Winter Lynn Baynes Bowden.

He accepted Christ and was baptized at an early age. He attended Thurston High School in Redford, Michigan.

Daren was born destined for greatness, a talented kid who knew success was in his reach. Always looking forward to the next day ready to accept his destiny, as he reached out to everyone spreading love, kindness, and an amazing aura that cannot be explained. Daren was a winner in every category, playing sports, being a loving son, father, brother and friend. In 2007 Cashmade D-Beezy was born. Whether if you were a friend or relative; if you really knew him, you loved him. Coming up he was the only person I knew that would say to you "Ay man I'm allergic to water ... you got some juice?"

Bringing us smiles and a abundance of laughter, he was someone that touched the hearts of us all. A role model for some, as he was a young man trying to find himself; who in the end found his leadership. His movement impacted the city, as he influenced those around him and people from all walks of the city. Your legacy will live forever.

Daren loved all types of music. His love for music was well known to his family by the age of 9 years old.

I'm very sorry to hear of your families lost, although we've never met death is something that effects us all. God surely hate death in fact the Bible promises that in the near future our last enemy death will be brought to nothing 1Corinthians 15:26. God is so loving that he gives us much need comfort during difficult times like these; he offers us comfort Psalms 34:18. It will be possible to see your dead loved ones again due to the hope we have in the resurrection by means of Jesus Christ John 11:22-25.
