“ To say how much I will miss you is impossible. I can recall several memories that we shared together. The one that our family will remember the most is the book written by Richard Scarry, *Nicky Goes to the Doctor...* this book you read to me, every time we sat down together as toddlers. You would start with “DOCTOR, DOCTOR”...you would turn the page and say again, “DOCTOR, DOCTOR”... you would continue until the book was over, then you allowed me to say *THE END!* We both clapped and neither of us read one word on the page! Another fond memory that your dad *LOVES* to tell is about my visit to Detroit to spend some time with my favorite cousin! I remember us walking to the corner store, and Marcus threatening to leave us cause we were walking too slow. I remember you pointing at a lady telling me it was Grace Jones and she was scary! What Uncle Rufus loves to tell about that trip, is that when that snow fell so hard and I was not prepared... *I CALLED MY MOMMA TO COME AND GET ME!!!* Uncle Rufus laughs every single time we talk and or see one another. Another memory was the basement talent show. It was a couple of us and your talent was to tell a joke! “Once upon a time Mickey Mouse and Donald Duck was walking down the street, and tripped over a stick” you made the sounds of the cymbals when the joke was over... we all laughed at that corny joke for a long time! I could go on and on. I will keep those memories and treasure your smile, until we meet again! I love you and wish I could hug you one more time on this side. Keep an eye out and tell Grandma Ruth that I am continuing her legacy down here! (Wink, wink)

To my Aunt and Uncle, cousins Carma and Marcus. I love you, I miss you and I am continuing to pray for each of you! Love always and forever.

“ May the Lord continue to keep us (Graham family) strong in the faith as we look to the hills from whence cometh our help, our help comes from the Lord. "Until we meet again, God be with us"
