“ I can not tell you how sad it was to hear of Darlene's passing. Some 20 years ago we all were attending Fellowship's new members class together. She will always be in my memory with that quiet loving character and smile. I will continue to pray for you all.

“ How do you say goodbye to a co-worker/family member that have been apart of your life for 10 years. There will be days when I am on my to her office just to remember that she is no longer there. To the Conyers family just know that there is something you must always remember. You are braver than you believe, stronger than you seem, and smarter than you think, but the most important thing is, even though Darlene is with the Lord...She'll always be with you." God will not putt more on you than you can handle....

My prayers go out to the Conyers family. God has reached down and took another one of his Angels. She will always be missed not by her personality but also by the way she has always treated me (with respect). I am going to miss her in her argyle socks!!!!

“ Reggie be encouraged that God permitted you to experience the love of a great woman such as Darlene. She talked often about the special love you guys shared. Brian, Nicole, and Courtney know without a doubt your Mom loved you unconditionally. I know, we talked about it for hours at a time (sometimes I couldn't get a word in). I pray God will keep His loving arms around you at this time. God is too wise to ever make a mistake so trust Him in all your ways and He will direct your path. My family cherishes the times we had together. Its not often you meet a real and authentic person such as Darlene. We love you. Keep your hands in God's hand for we shall see Darlene again! Love from Kathy Jones Family (Fred, Katrina and Frederick).

“ We spend 7.5 hours and sometimes more with our 36th District  
Court family, thats what i call it. We get to know everyone on a  
different level. We see you come, we see you have children, we see  
your children grow up, we see your young days and sometimes your  
older days if we make it, but sadly we also have to see you leave,  
everyone must cross this path one day. I personally never worked  
with Mrs. Conyers but I have always seen her in the hallways,  
always smiling, very polite and kind and about her business. You  
will be missed. Prayers go out to your family for strength in their  
time of sorrow. God bless Sonya Walker

“ What do you say during a time like this? How do you accept and  
come to the realization that this is real? That a person you grew  
accustom to seeing on a regular basis is no longer with us? Even  
though, its hard, I know we must focus on the good times we had,  
the smiles we shared, and cherish all the memories made over the  
years. I had the opportunity to work very close with Darlene  
everyday and for that I am thankful. She was a very special person  
and I know many will miss her. It is with my deepest sympathy that I  
send my condolences to her family. May God Bless You.

“ Reggie, Bryan, Nicole, Courtney, be assured that we love you and we are with you in spirit. Your loss is our loss. May our comfort be in knowing that Darlene is resting in the arms of our Lord and Savior, Jesus Christ. We can only pray to be so blessed, to see His face as Darlene has. “ My sympathy goes out to Reggie and the Conyers family as well as the Bullard Family. As neighbors for many years, I have reflected on many life experiences on Elmhurst and after Elmhurst. Darlene has always been a kind and giving spirit. She would help anyone who needed her help! She loved her husband and children. I know they knew how deep her love was for them! I know she. Cherished every moment she shared with all of her family.  
Darlene you were an exceptional person! Life won't be the same, but you have let your light shine so that your good deeds, your giving sharing and love for mankind will never be forgotten! So long because you are now with the King! Dear friend.

“ My prayers are with Darlene's family. I have memories of Darlene from work and when our sons played baseball together. Whether work or play, she always was kind, friendly, and down-to-earth. I'll miss her beautiful smile and uplifting conversations.

*As I herd the news of my childhood friend and neighbor darlene I reflected back to days of carefree days! I remembered even as a child she was always friendly, kind, sharing and caring. As an adult she was funny, confident, a loving wife , a loving mom, a good friend to all who were a part of her life! My heart is heavy but still happy to have been blessed to share many happy time, and tears as well as celebrations with a wonderfully blessed individual! Rest in peace and I know you are in God's Care as I pray for those left behind, your loving family. YOU WILL NEVER BE FORGOTTEN MY FRIEND!*
