“ *Darlene, my heart is overwhelmed just knowing that I won't see your beautiful smile again. We shared grandchildren and that made me feel related to you in spirit. I am so thankful that we spent time together just a few weeks ago at Darla's house. We hugged before I left and I thought I would have another opportunity to hug you again. You are really going to be missed but, still loved by many including me. May God be with you until we meet again. I Love you Darlene.*

*The other Grandma,
Earlena Molini 🙏*
