“ *One of the best uncles there is. I have known Darren for about 4 years, he was the most genuine, caring, trustworthy, and all together best person there is. Any time any one has a problem or is upset he is the first one there to help. His words of wisdom will always be in my heart. God knew he would protect my family better with him above. I'm truly blessed to have had such an amazing guy in my life and such an amazing guy for my aunt and cousin, I'm also blessed that, that same guy is watching over us. Not a minute goes by that he isn't on my mind. I love you Td miss you so much.*

“ Darren was my everything. He was my best friend, we did everything together. Since I met him 5 years ago I knew we would be together forever. We have done so much in the 3 years we have been together than most. The trips, skydiving, parasailing, helicopter rides. We had a fulfilled live together. I really don't know what I'm gonna do without you being here everyday with me. I miss you so much. I will be with you again one day. I love you so much.

“ Darren was the real deal! He was funny, friendly, and as honest as they come. There isn't anyone else I trusted more than him. He was also very understanding. He was a great listener and could give good advise without judging anyone. He was kind and thoughtful. He was smart and goal driven. I was always very proud of him and lucky to have him as my friend. He will be missed but NEVER forgotten.
